Defensive Driving

Back to Drivers Education

◇ How much do you remember from Drivers Education?

Think back to when you first started Drivers Education. What do you remember feeling? Were you excited? Why—was it a chance at “freedom”? How much do you remember? Most of us probably only remember the laws we use everyday. Some people don’t even remember those.

Why are there so many rules anyways— to keep us safe. The Bible is very similar; it is filled with rules, violations, and instructions on how to live! Why—to keep us safe on the road of life!

Do you still remember what you should do first in a car? Do you check your mirrors enough? What are those octagon and triangle signs for anyways? How about all the warning signs?

This morning let’s take a refreshing Defensive Driving course and go back to Drivers Education.

Drivers Education

* What’s the first thing you should do when you enter your car?

Buckle Up!

Without the Word of God, people cast off restraint. Restrain yourself— “...stop (cease from) striving...”

* How often should you check your mirrors?

Look Behind You!

Life and Death are serious be “...watchful...”. Do not be surprised—men will try and cheat you. Know where you are— “...take heed...”.

* Do you understand the signs?

Stop or Yield—Which one!

Christians do not stand still we “...run with endurance...”

Christians yield at the right time

Do not “dabble” with sin; “think” before you speak.

* Do you notice the warnings?

Warning, Warning, Warning!

Beware of false prophets, covetousness, dogs, evil workers, mutilation, ect.
